

Beautification Committee Report for September Board Meeting
Submitted by Denise Smith

Tentatively planning our annual Pumpkin Carving Event for Saturday, October 15 from 10am-noon. Just waiting to hear back from the Fire Department to make sure the firehouse is available that morning.

Contacted Barber's about getting pumpkins from there again for this year's event.

Also, plan on getting the scarecrows out on the flower boxes on Sunday, October 2.
