Reporting on code enforcement activities for May- June 2024

I did a loop around Holmes st and River St this month to see how bad the rat problem is, after knocking on 27 doors 22 was no answer

3 no Rats

2 Have Rats

1 that was a no answer had complained about rats in the past

I have contacted the Dollar General and was told to take the bill to the store and give to the manager so hopefully that will get paid in the next couple weeks

I have been looking into a complaint about tall grass it was mowed when I went to look at it. A second complaint for chickens all over I am still trying to find where they are coming from

No new building permits this month

Thank you to the Ladies in the office for all the help
